Beat the Heat with Cool Summer Tips

**Shri Rishabh
Gayappasad Jain**

At Swarnnim University, we strongly believe that health and success go hand in hand. As temperatures soar and the sun beats down relentlessly, this summer it's essential to take extra precautions to protect ourselves from the scorching heat. One of the best ways to stay cool and hydrated during a heatwave is by indulging in refreshing and revitalizing summer drinks. Our mission is not only to bring out the creativity and potential of the youth but, also to motivate them to be fit and healthy. Only a healthy mind and body can think innovatively and succeed. Wishing you a summer filled with cool mind, laughter, and refreshing appetizers.

President,
Swarnnim Startup and Innovation University,
Chairman- G.P Jain Charitable Trust, Arihant Seva Samiti.

The true goal of our educational institution is intelligence coupled with great character, where individuals focus on personal as well as collective progress. And as we embrace the warmth of summer, it's essential to remember that along with the sunny days comes the risks of heatwaves and heat-related illnesses. With temperatures rising, it's crucial to take proactive steps to protect ourselves and our loved ones from heatstroke- by staying hydrated, eating healthy, planning outdoor activities wisely and staying informed on weather forecasts and heat advisories. Wishing you a hydrated and cool summer ahead.

Vice President,
Swarnnim Startup and Innovation University

Mr. Adi Rishabh Jain

Mr. Vivek Anand Oberoi

At Swarnnim University, we not only observe and enhance students' academic performance but also try our best to take proactive measures to ensure the safety and well-being of all individuals on our campus. We educate individuals not only as successful entrepreneurs but also as a responsible and awakened citizen. I recommend reading the heat advisory provided by the Government of India and keeping a Summer Emergency Kit (Water bottle, Umbrella/ Hat or Cap / Head Cover, Hand Towel, Hand Fan, Electrolyte / Glucose / Oral Rehydration) handy for any moment. Stay safe, stay cool!

Co-Founder,
Swarnnim Startup and Innovation University

It's a pleasure to welcome you all to the hub of advanced learning where innovation, start-up and entrepreneurship are a hallmark of the University. In order to make our students future-ready, our curriculum is designed in a manner that ignites a healthy competitive spirit among the Aspirants. As the summer sun blazes overhead, it's essential to stay cool and hydrated to beat the heat and maintain your well-being. Stay cool!

Provost,
Swarnim Startup and Innovation University

Dr. Ragin Shah

Dr. Upendra Patel

It's an honor to be a part of Swarnim family, where faculties give their best and where we make leaders who are capable of leading the nation to greatness. Creating an environment of innovation, startup, and entrepreneurship, we wish to enable our students so that they can find a suitable career and make a future where they are their own boss. A boss who never loses his calm and keeps a cool temper even in a difficult situation. Just like the cool kairi pani in hot summer.

Registrar,
Swarnim Startup and Innovation University

Swarnim is the first university in India to offer courses on entrepreneurship and start-ups. To meet worldwide standards, we continue to develop the best learning environment. So this summer keep both, your external and internal environment cool and clean by consuming food that has high water content and soothing nature- cucumber, watermelon, coconut water, berries, etc. Keep your coolness intact and enjoy the summer!

Chief Administrative Officer
Swarnim Startup and Innovation University

Dr. Ramsinh Rajput

Dr. Kavita Kshatriya

I believe that a strong academic foundation is essential for the current generation along with staying fit and healthy. Wearing summer suitable clothing like easy breezy cotton clothes, summercoat, face mask etc and using necessary skincare products like sunscreen, ice-roller, cucumber eyes mask etc to keep oneself fresh. It is essential, looking at the current scorchy sun. I would also like to see the university continue to prioritize academic excellence and provide support based resources to students and faculties to achieve highest academic achievements. Wishing all to have healthy skin and pink health this summer

Academic Dean,
Technical Programs

Happy to share that our university is the hub of advanced learning where innovation, start-up and entrepreneurship are a hallmark and they strive to become job creators. In order to make our students future-ready, not only our curriculum is designed in a manner that ignites a healthy competitive spirit among the aspirants but also our efforts to keep the students cool and calm in this summer loo (heat waves), by urging them to practice the summer guidelines and teaching them ways to protect themselves from the sweltering summer.

Academic Dean,
Health Sciences

Dr. Hiren Kadikar

Dr. Birendra Shrivastava

Indeed, my thoughts are in the era of the 21st century, where the education approach is based on a constant and regular approach of advanced learning, where innovation, startup and entrepreneurship tries to step ahead to become entrepreneurs. I also believe that both education and physical and mental health go hand in hand. In order to make our students not only educationally equipped but also fit both physically and mentally, I feel they should indulge in some relaxing activities after a busy day to keep their mind cool and body charged to be ready for the next challenges. Wishing a mentally and physically relaxed summer.

Academic Dean,
Pharmacy, Science and Agriculture

Swarnim Startup and Innovation University Implement National Education Policy (NEP) for Enhanced Learning and Entrepreneurial Opportunities

Swarnim Startup & Innovation University, a leading institution for fostering innovation and entrepreneurship, is proud to announce the successful implementation of the National Education Policy (NEP). The university has embraced the NEP transformative vision to revolutionize higher education and empower students with practical skills and an entrepreneurial mindset. Enterprise Resource Planning (ERP) Implementation at University

Enterprise resource planning (ERP) refers to a type of software that organizations use to manage day-to-day business activities. A complete ERP suite also includes enterprise performance management, software that helps plan, predict, and report on an organization's financial and academic results.

NEP 2020 propelled education institutions to embrace technology like never before. This adoption of technology should not be limited to just online learning. But other aspects like NAAC, Academic and Exam Process, Human Resource management, Event and activity management, CRM, Admissions, Attendance, Fees, Placements and Exams needs to be automated like never before, keeping the data safe and secure is another aspect. Keeping costs/budgets low in this period of recession is paramount. Here, QualCampus™ Education ERP software comes to help the educators to explore the new age End to End ERP for Education. QualCampus™ is Capable of Managing an Institute, Group of Institutes, Universities, Colleges, Schools, its an end to end Education ERP.

QualCampus™ – Packed with 80+ Modules like CRM- Enquiries, Online Admissions, Online Lecture Delivery, Online MCQ, Online Examinations, On Screen Marking, Proctoring, Library, Online Fee Payments, Financial Accounting, Payroll, Stores and Inventory, Chat, etc. all that you need for smooth functioning of your Institution. With QualCampus™ you can get rid of high spending on your IT infrastructure and implement cloud-based educational ERP that is packed with all the necessary modules that can be customized and offers you end-to-end management of the education life-cycle : from admission to examination and alumni and everything in between.

One Week online Faculty Development Program (FDP) on "Cultural Studies Indian Perspective in Literary and Social Context," held by Gokul Global University's Career Development Cell (CDC) from February 19th to 25th February, 2024.

Many countries have started to take initiative in planning and designing places that are livable, sustainable and forms the identity of that place. Many planners and philosophers have tried to achieve that vision of an ideal place for over decades now. In the last century Conventional planning or use based planning or we can also call it as Euclidean zoning have been the most common one. 'A form-based zoning code is a land development regulation that fosters predictable built results and a high-quality public realm by using physical form (rather than separation of uses) as the organizing principle for the code. A form-based code is a regulation, not a mere guideline, adopted into city, town, or county law.

SID Industrial Visit

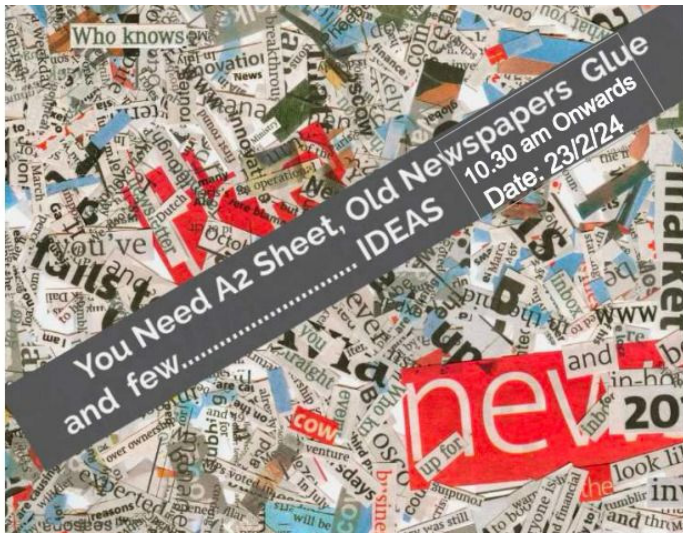

Students of Masters in Urban Planning, participated in the exhibition of great works of Renowned Architect Hasmukh C Patel. He is the architect of redevelopment of Central Vista New Delhi.

A case study in design offers a diverse set of learning outcomes. It enhances problem-solving abilities, refining students' capacity to analyze complex design challenges and formulate effective solutions. It sharpens design skills, promoting the creation of aesthetically pleasing and functional architectural solutions. Students deepen their technical knowledge, gaining insights into construction materials, technologies, and architectural principles. Effective communication and critical thinking skills are cultivated. Additionally, project management competencies are developed, along with an understanding of environmental impact and sustainable design. This approach also fosters contextual awareness, appreciating historical, cultural, and social influences on design.

1st year architecture students of the design department successfully completed 1st semester RSP (Related Study Programme) in Mandu and Maheshwar, Madhya Pradesh. It was very beneficial for the students as they got hands-on exposure to diverse design contexts, fostering creativity and deepening understanding. Exploring with expertise and tools enhances practical insights, while historical perspectives encourage critical thinking for holistic development in architecture. Total Eight students and Two faculty (Prof. Hiteshri Patel & Prof. Pratik Lohiya) participated in the visit.

The session-1 of this lecture series, led by the esteemed Dr. Leena Patekar, HoD- Mathematics of the SIT, was a captivating extension of their Indian Science and Technology curriculum under the Indian Knowledge System of NEP 2020.

SSCIT's Social Media Club was thrilled to host an enlightening session on "Digital Marketing" in our Seminar Hall. A huge shoutout to our main speaker, Mr. Nikhilesh Gouda, for sharing his invaluable expertise and insights into the ever-evolving world of Digital Marketing.

From the latest trends to practical strategies, attendees walked away with a wealth of knowledge that's bound to elevate their digital marketing game. We're grateful to everyone who joined and participated in making this session a success.

The SSCIT's Innovative Coders Club successfully hosted an electrifying "Tech Quiz" today in our Seminar Hall, with the brilliant Mr. Kapil Sharma (BCA-4th Semester) steering the event as Quiz Moderator.

A big shout-out to the 28 bright minds from SSCIT and SIT who took on the challenge. The competition was fierce, with our audience on the edge of their seats through 5 nail-biting tie-breakers!

Congratulations to the winners of BCA 2nd semester team - Pooja Kaswan, Nikhil Rathore, Jasmeet Kaur & Farj Patel for clinching the top spot with their exceptional knowledge.

Runner-up: Hats off to the BCA 6th Semester team - Sneha Gupta, Piyush Tanwani, Vinit Basanti, and Bhavesh (BCA-4th semester) for their impressive performance.

Their dedication, teamwork, and tech prowess have truly set a benchmark.

Anti-Ragging Activities

Elocution Competition on Stamp Out Ragging: Voices for a Safe Campus

Elocution Competition on “Stamp Out Ragging: Voices for a Safe Campus” was organized to raise awareness and promote dialogue among students about the importance of eradicating ragging from university campuses. By providing a platform for students to express their views eloquently, the event aimed to foster a culture of respect, empathy, and mutual support, contributing to a safer and more inclusive campus community. Overall, the Elocution Competition on Stamp Out Ragging was a testament to the commitment of Swarnim Startup and Innovation University towards creating a safe and nurturing campus environment. The event not only showcased the talent and passion of the students but also reinforced the university’s dedication to promoting a culture of respect and dignity for all.

The Elocution Competition on Stamp Out Ragging not only showcased the speaking talents of the students but also served as a platform to raise awareness about the importance of eradicating ragging from campus life. Through powerful speeches and heartfelt messages, participants conveyed a unified stance against ragging, promoting a culture of respect and safety within the university community. The event fostered dialogue, encouraged empathy, and reinforced the university’s dedication to providing a secure and inclusive environment for all students.

Some 88 entrepreneurs participated in the event and showcased their small and large businesses including handmade jewellery, apparel, herbal cosmetic products, and food products, among others.

प्रसन्न सागर जी महाराज को साहित्य विषय में प्रदान की गई मानद उपाधि

अहमदाबाद। गांधीनगर स्थित, स्वर्णिम स्टार्टअप एवं इनोवेशन यूनिवर्सिटी ने हाल ही में दिगंबर जैन समाज के आदरणीय संत, परम पूज्य अंतर्मना आचार्य श्री प्रसन्न सागर जी महाराज को मानद डॉक्टरेट की उपाधि प्रदान की। यह उपाधि आचार्य श्री को साहित्य के क्षेत्र में प्रदान की गई है। मुक्ति मार्ग पर अग्रसर अंतर्मना आचार्य श्री प्रसन्नसागर जी महाराज ने सफलतापूर्वक स्व-अनुशासन के साथ ही भौतिक व नैतिक अवरोधों को नियंत्रण में रखा है और वे एक ख्यात आध्यात्मिक नेतृत्वकर्ता व समाज सुधारक के रूप में प्रेरणा बने हैं।

स्वर्णिम स्टार्टअप एंड इनोवेशन यूनिवर्सिटी द्वारा यूनिवर्सिटी की एकेडमिककाउन्सिल एवं इसके बोर्ड ऑफ मैनेजमेंट की ओर से यूनिवर्सिटी के कुलपति के समक्ष मानद उपाधि, डॉक्टर ऑफ लिटरेचर (अनॉरस कॉसा) का प्रस्ताव पेश किया था। इस अवसर पर बात करते हुए, श्री ऋषभ जैन, यूनिवर्सिटी प्रेजिडेंट ने कहा- 'भारत एक आध्यात्मिक देश है जो कि हमारे देश के विकास में मार्गदर्शन प्रदान करता है। हम अपने विश्वविद्यालय में इस बात पर विश्वास करते हैं कि इनोवेशन का मार्ग, मूल्यों की नींव पर बना होता है। आदरणीय आचार्य श्री प्रसन्नसागर जी महाराज को

डॉक्टरेट की मानद उपाधि प्रदान करना, समाज में उनके योगदान को सम्मान प्रदान करने का हमारा विनम्र प्रयास है और इससे हमारे विद्यार्थियों को भी आचार्य श्री की अनुशासित एवं एकाग्र जीवनशैली से सीखने का उत्साहवर्धन मिलेगा, जो कि किसी भी सफल और अग्रणी इनोवेशन की मूल आवश्यकता होती है।

पूज्यनीय अंतर्मना आचार्य श्री प्रसन्नसागर जी महाराज ने कहा- 'कोई भी उपाधि पाना बड़ी बात नहीं है, किन्तु उस उपाधि को अपने दिमाग पर हावी न होने देना अधिक बड़ी चुनौती है। पद, धन व यश धर्म व सदाचार से प्राप्त होता है। इस प्रकार देखा जाए तो मैंने यह

उपाधि प्राप्त नहीं की है, यह मेरे सदाकार्य हैं जो आज मुझे यह सम्मान प्राप्त हुआ है। यदि हम धर्म व सदाचरण की पूंजी को विलासिता में लगा देंगे तो यह उसी क्षण नष्ट हो जायेगा। अर्थात् धर्म और सदाचरण का सुफल कोई उपाधि नहीं है, धर्म और सदाचरण का सुफल, रक्षक का सुफल है। स्वर्णिम विश्वविद्यालय ने जिस प्रकार यह आयोजन किया है वह सराहनीय है।

उल्लेखनीय है की आचार्यश्री की त्रिमूर्ति विचारधारा में, सही विश्वास, सही ज्ञान व सर्वोचित आचरण की भावना सम्मिलित है। वे निरंतर कई हफ्तों व महीनों तक बिना भोजन व जल के कठिन तप करते हैं। पूज्यनीय अंतर्मना आचार्य श्री प्रसन्नसागर जी महाराज, अपनी महत्वपूर्ण शिक्षाओं के लिए जानेजाते हैं, जिनके अंतर्गत वे धर्म व उससे संबंधित संस्कारों एवं रीतियों के बारे में प्रचलित कई मिथकों को दूर करते हैं।

आध्यात्मिक नेतृत्वकर्ता होने के साथ ही पूज्यनीय अंतर्मना आचार्य श्री प्रसन्नसागर जी महाराज एक समाज सुधारक के रूप में भी प्रेरक हैं। उन्होंने अपनी शिक्षाओं व मूल्यों को कम से कम दो दर्जन ज्यों में कैदियों के पुनरुत्थान के लिए भी प्रसारित किया है। उन्होंने कैदियों से बात करके उन्हें जेल से छूटने के बाद उच्च विचार आधारित मार्ग पर चलने एवं नैतिकता व मूल्य आधारित जीवन जीने के लिए प्रेरित किया है।

अमृत पीढ़ी के सशक्तिकरण पर जोर : आदि जैन

स्वर्णिम स्टार्टअप एंड इनोवेशन यूनिवर्सिटी (एसएसआइयू) के उपाध्यक्ष आदि जैन ने कहा कि वित्त वर्ष 2024-25 का अंतरिम बजट स्पष्ट रूप से विकसित भारत 2047 पर केंद्रित है।

केंद्र की प्राथमिकता 'अमृत पीढ़ी' यानी युवाओं को सशक्त बनाने की है। एजूटेक शिक्षा तक समान पहुंच और शिक्षा की गुणवत्ता में सुधार लाने में महत्वपूर्ण भूमिका निभाएगा। केंद्रीय वित्त मंत्री ने उच्च शिक्षा में महिला नामांकन के बेहतर अनुपात पर जोर दिया है।
