

Profile

Vice President - Swarnim Startup and Innovation University

Mr. Adi Rishabh Jain, a second-generation entrepreneur, has been a driving force in our institution's success. His academic journey start with a Bachelor's degree in Electronics & Communication Engineering from Indus Institute of Technology, Ahmedabad. He then completed his Master's in Management with a specialization in Entrepreneurship and Innovation from La Trobe University, Melbourne, Australia.

These academic achievements have equipped our Vice President with the knowledge and skills necessary to

shape the future of education and entrepreneurship. His education has formed a strong foundation for the innovative ideas and strategies that have been implemented in our university.

Mr. Adi Rishabh Jain's professional journey is equally remarkable. He has been the Director of Swastik Infrastructure Pvt. Ltd since August 2013 and the Director of Vivasvanna Export Pvt. Ltd since January 2019. Both of these companies are based in Ahmedabad, Gujarat, and have witnessed remarkable growth under his leadership.

Mr. Adi Rishabh Jain's dynamic leadership, visionary approach, and multicultural exposure have been instrumental in creating an innovative learning culture at Swarnim Startup & Innovation University. His global perspective and experience in management have been invaluable in shaping our university's daily operations, strategic planning, execution, and business development activities.

What truly sets Mr. Adi Jain apart his dedication to global collaboration. He has travelled to various countries such as Nigeria, Australia, and Singapore to

explore new avenues for our university's growth and development. This international exposure and knowledge of multicultural entrepreneurship are contributing to making our university globally competitive.
